SEPTEMBER NEWSLETTER

Picture Day is Coming!

It's time to smile and say "cheese!" Picture Day will be on Wednesday, Sept. 25th. Elementary students should come dressed in their school uniform. We will take individual and group pictures.

Parent Association News

The Parents Association kicked off the year at the Sneak-a-Peek welcoming back families with shaved ice and selling spirit wear for the upcoming year. The first day of school signage in front of the school was also a big hit! We've got an exciting drum assembly coming for the students very soon! If you are interested in getting involved, our first meeting is next Tuesday, September 10 at 5:30 on Zoom. During the meeting, we will provide an overview of the Parents Association mission, goals, and upcoming events. We will also discuss various ways you can get involved, whether through volunteering, sharing your expertise, or participating in our initiatives. Everyone is welcome and no contribution is too small! Hope to see you there!

The Mobile Dairy Classroom of California brought "Cowlifornia" to school. We learned all about cows, milk, and milk products!

National Read A Book Day

Did you know that reading books with children promotes language development, cognitive growth, imagination, as well as fostering a lifelong love of reading? We will celebrate this day in our classrooms. Parents can celebrate by creating a cozy reading nook at home, setting aside dedicated family reading time, and encouraging kids to choose their favorite books to share aloud. Hosting a mini book swap or discussing a story's themes over dinner can make reading an engaging, shared experience. Make it fun by crafting bookmarks together or exploring new genres that spark curiosity and a love for reading!
